

# Support Sycamore Athletics!

## 2010-2011

### **Letter from President...**

Supporting the Sycamore Sports Booster Club is not just for athletes and their families, it is for all Sycamore students, families and fans. Supporting the Booster Club allows each person to feel the involvement and community spirit which Sycamore athletics seeks to foster.

One of the many goals of the Sycamore athletic program is to enhance the physical, social and moral development of Sycamore students. Athletics provides an opportunity for the entire student body to exhibit school loyalty and develop a sense of belonging. Supporting Sycamore athletics is also a wonderful way to socialize and have fun.

The Sycamore Sports Booster Club is the sole fundraising group that benefits all athletic programs at Sycamore High School and Sycamore Middle School. With your support, the Sycamore Sports Booster Club is able to provide uniforms, equipment and supplies to all our athletes and teams. Your financial support also helps provide a strong foundation for the future of all our students.

Please show your support by completing the membership form. Help us reach our goal of 250 annual donors.

Sincerely,

Lorna Bemis  
President  
Sycamore Sports Booster Club

Sycamore Sports Boosters...providing opportunities for our athletes of today and tomorrow!
